

Chief, Communications Division

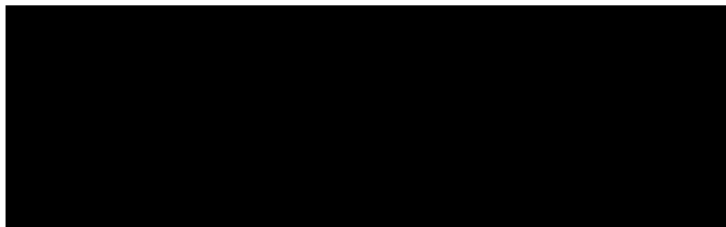

3 March 1949

Deputy Services Officer, Overt

Disposal of Surplus and Excess Signal Supplies.

In accordance with the memorandum of agreement dated 11 January 1949, it is understood that surplus and excess communications equipment and supplies will be disposed of as follows:

1. Communications Division will direct which items shall be declared surplus.
2. The Chief, Inspection and Testing Unit, Communications Division will direct and approve for disposal as salvage such items that are considered unserviceable.
